

New

Syringes with PTFE-black-seal

for ILS VP 9101, TECAN/CAVRO XP-pumps

The features:

- High chemical resistance
- Less friction than virgin PTFE
- Less electrostatic charge
- Higher robustness
- Less „cold flow“ (virgin PTFE changes its form under pressure this is what we mean by “cold flow”)
- Higher longevity

Part Number	Description
9607615	50µl SYR H-XP PTFE-black-seal
9607715	100µl SYR H-XP PTFE-black-seal
9607811	250µl SYR H-XP PTFE-black-seal
9607814	250µl SYR H-XP PTFE-black-seal cone
9607911	500µl SYR H-XP PTFE-black-seal
9607914	500µl SYR H-XP PTFE-black-seal cone
9607011	1,0ml SYR H-XP PTFE-black-seal
9607010	1,0ml SYR H-XP PTFE-black-seal cone
9607034	2,5ml SYR H-XP PTFE-black-seal
9607074	5,0ml SYR H XP PTFE-black-seal
