

## **QUALYDROPS® - DROPPER BOTTLES**

### **PRECISE DROPS**

With our high quality dropper bottles made from virgin low density polyethylene you can dispense one uniform drop at a time. Our dropper tips are also made from high purity, virgin low density polyethylene and have an accurate opening to guarantee consistent and uniform drops. To avoid leakage, the neck of the bottles has been specially designed to ensure a tight fit of the tips. The dropper bottles

are available in black and white for light sensitive samples or natural to view liquid height. We also supply a large variety of colored tips and caps so that you can color-code and identify your samples easily. The caps are made from high density polyethylene. Qualydrops® bottles are available in 3 ml, 5 ml, 10 ml, 20 ml and 30 ml. Other volumes are available on request.

# 3 ml , 5 ml, 10 ml, 20 ml & 30 ml Qualydrops® dropper bottles
